

## ANNUAL RATES OF SUBSCRIPTION FOR "MYSORE GAZETTE".

\*Q.—980 Sri B. R. SUNTHANKAR (Belgaum).—

Will the Government be pleased to state:—

(a) the annual rates of subscription for the *Mysore Gazette*: (rates for the whole as well as for the parts to be given separately);

(b) (i) whether the rates were increased; and (ii) if so, since when and (iii) the reasons therefor and (iv) how much per part;

(c) the reasons for the vast disparity between the rates for English and Kannada copies of the Gazette;

(d) the number of English and Kannada Gazette copies that are printed;

(e) the reasons for not receiving subscriptions by V. P. P. ?

A.—SRI ANNARAO GANAMUKHI (Minister for Education).—

(a)—

Part VII ...	3 00	...

(b) (i) Yes ; only in respect of English Gazette.

(ii) From 22nd December 1959.

(iii) Owing to increase in the actual cost of production due to raise in the prices of paper and other printing materials, enhancement of the pay of the Press employees and increase in the volume of the Gazette.

(iv) Full Gazette in English or its parts	Increase Rs. nP.
Full (including Extraordinary Gazettes).	38 50
Part I ...	2 13
Part II ...	1 38
Part III-1 ...	nil
Part III-2 ...	nil
Part III-3 ...	4 38
Part IV and Extraordinary	34 13
Part V ...	0 38
Part VI ...	5 13
Part VII ...	nil

(c) The Weekly *Mysore Gazette* in English consists of about 400 pages while the Kannada issue consists of about 50 pages. All the notifications received for publication in English Gazette are not received for publication in the Kannada Gazette. Only a few notifications are received for publication in the Kannada Gazette. Therefore, there is disparity between the rates of subscription for English and Kannada issues of the Gazette.

(d) (i) English Gazette ... About 5,000 copies

(ii) Kannada Gazette ... About 600 copies.

(e) As it involves loss to Government in case the Gazette copies sent by V. P. P. are not accepted by the party concerned V. P. P. System has never been in vogue in Government Department.

Sri B. R. SUNTHANKAR.—Sir, may I know why the rate of subscription has been increased only in respect of English Gazette not Kannada Gazette ?

†Sri ANNARAO GANAMUKHI.—The English Gazette has grown in volume, whereas Kannada Gazette has not.

Sri B. R. SUNTHANKAR.—What is the basis on which subscription is fixed ?

Sri ANNARAO GANAMUKHI.—It is based on cost.

Sri B. R. SUNTHANKAR.—May I know what is the annual expenditure and income from the English and Kannada Gazette ?

Sri ANNARAO GANAMUKHI.—Figures are not separately worked out.

Sri C. K. RAJAJAH SHETTY.—For English Gazette the rate is Rs. 40 whereas it is fixed at Rs. 2-15-0 for Kannada Gazette. Is your answer correct Sir ? Do you mean to say that this is only the actual cost?

Sri ANNARAO GANAMUKHI.—It has been worked out an actual cost.

Sri M. C. NARASIMHAN.—May I know if the size of Part IV of the Gazette has increased to such an extent as to justify this big increase in the subscription ?

Sri ANNARAO GANAMUKHI.—The last time when cost was worked out was in 1945. Afterwards it was worked out in 1957 and by that time the volume had increased.

Sri M. C. NARASIMHAN.—May I bring it to your notice that Part IV has not increased in size and that only the price has increased by 5 to 6 times ?

Sri ANNARAO GANAMUKHI.—It is not correct to say that the volume has not increased.

Sri J. B. MALLARADHYA.—I find that Part IV contains too many Sections and Sub-Sections. Is it the cumulative effect of all these Sections and Sub-Sections that the price is high ?

Sri ANNARAO GANAMUKHI.—If any subscriber purchases all the sections and sub-sections including the Extraordinary Gazette then he is charged Rs. 40. If he purchases these separately then the cost would come to Rs. 45.

Sri J. B. MALLARADHYA.—How is it that so far as Kannada is concerned you do not make that distinction ?

Sri ANNARAO GANAMUKHI.—Because the Kannada Part does not appear in so many sections and sub-sections.

Sri G. VENKATAI GOWDA.—Since Part IV is mainly needed by the public, is it not a fact that the public are greatly inconvenienced by enhancing the price 4 to 5 times ?

Sri ANNARAO GANAMUKHI.—We are printing the same in separate sections and sub-sections and whoever needs a separate section or sub-section can purchase only that and need not purchase the whole part.

Sri S. D. KOTHAWALE.—In view of the fact that Part IV and the Extraordinary Gazettes are intended to publicise the statutes of the Lok Sabha and this Legislature and other notifications which should be known to the public, will Government consider the proposal to reduce the subscription by subsidizing it, if necessary?

Sri ANNARAO GANAMUKHI.—The price is based upon the cost of production and so it cannot be reduced.

Sri C. J. MUCKANNAPPA.—Out of the 5,000 copies printed, how many copies are sold to the public?

Sri ANNARAO GANAMUKHI.—About 1/10th of the number. We cannot say exactly because they purchase in Parts and also in different sections.

Sri C. J. MUCKANNAPPA.—Regarding the Kannada copies how many copies do you sell to the public?

Sri ANNARAO GANAMUKHI.—Only 88.

Sri C. J. MUCKANNAPPA.—You said that you are selling this on a no loss no profit basis and that you charge only the actual printing charges that are included.

Sri ANNARAO GANAMUKHI.—I did not say only printing charges are charged.

ಶ್ರೀ ಸಿ. ಜಿ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ತಾವು ಬೇರೆ ಬೇರೆ ರಾಜ್ಯಗಳಿಗೆ ಮೈಸೂರು ಗೆಜೆಟ್‌ನ್ನು ಕಾಂಪ್ಲಿಮೆಂಟರಿಯಾಗಿ ಕಳುಹಿಸಿ ಕೊಡುವ ಕಾನೂನು ಇದರಲ್ಲಿ ಸೇರಿಸಿಕೊಂಡಿದ್ದೀರಾ?

ಶ್ರೀ ಅಣ್ಣಾರಾವ್ ಗಣಮುಖಿ.—ಬೇರೆ ಬೇರೆ ರಾಜ್ಯಗಳ ವಿಚಾರದಲ್ಲಿ ಕಳುಹಿಸುವುದು ನನಗೆ ಗೊತ್ತಿಲ್ಲ. I should say that the price of our Gazette is less than what obtains in other States, for instance, in Madras it is Rs. 100, Bombay Rs. 383 whereas it is only Rs. 83 here.

ಶ್ರೀ ಸಿ. ಜಿ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—5,000 ಗೆಜೆಟ್‌ನೋಗೆ ಬೇರೆ ಬೇರೆ ರಾಜ್ಯಗಳಿಗೆ ಕಾಂಪ್ಲಿಮೆಂಟರಿಯಾಗಿ ಎಷ್ಟು ಗೆಜೆಟ್‌ಗಳನ್ನು ಕಳುಹಿಸಿಕೊಡುತ್ತಿದ್ದೀರಿ?

ಶ್ರೀ ಅಣ್ಣಾರಾವ್ ಗಣಮುಖಿ.—ಬೇರೆಯಾಗಿರುವ ಪ್ರಶ್ನೆಯನ್ನು ಹಾಕಿ ಇದಕ್ಕೆ ನೋಟಿಸ್ ಬೇಕು.

ಶ್ರೀ ಎನ್. ಬಿ. ನರಸಿಂಹೇಗೌಡ.—ನಾವು ನೆ ಭಾಗದ ಇಂಗ್ಲೀಷು ಗೆಜೆಟ್‌ಗೆ 40 ರೂಪಾಯಿಗಳು, ಕನ್ನಡದ ಭಾಗಕ್ಕೆ 3-15 ನಯಾಪೈಸೆಗಳು ಎಂದು ಹೇಳಲಾಗಿದೆ, 40 ರೂಪಾಯಿಗಳನ್ನು ಹೇಳಿರುವ ಗೆಜೆಟ್‌ಗೆ ಎಷ್ಟು ಪೇಜುಗಳು ಪ್ರಿಂಟಾಗುತ್ತವೆ, ಕನ್ನಡದ 3-15 ನಯಾಪೈಸೆ ಬೇರೆ ಇರುವ ಗೆಜೆಟ್‌ಗೆ ಎಷ್ಟು ಪೇಜುಗಳು ಇರುತ್ತವೆ ಮತ್ತು ಇದಕ್ಕೆ ಇರತಕ್ಕ ವ್ಯತ್ಯಾಸಗಳಿಗೆ ಕಾರಣಗಳೇನು?

ಶ್ರೀ ಅಣ್ಣಾರಾವ್ ಗಣಮುಖಿ.— ಕನ್ನಡದ್ದು 20 ಪುಟಗಳಿರುತ್ತವೆ, ಆದರೆ ಇಂಗ್ಲೀಷಿನಲ್ಲಿ ಹೆಚ್ಚು ಪುಟಗಳಿರುತ್ತವೆ.

Sri M. C. NARASIMHAN.—May I bring it to your notice that the decisions of Industrial Tribunals which are published in Part IV are sold to the public at Rs. 1-02, whatever may be the total number of pages; whether it is 120 pages or 4 pages the price is only Rs. 1. 02. May I know how this is consistent with your policy?

Sri ANNARAO GANAMUKHI.—If it is inconsistent I will revise and bring it to the cost price level.

ಶ್ರೀ ಕೆ. ವಿ. ರೇಣುನಿವ್ವಪ್ಪ.—ಕನ್ನಡದಲ್ಲಿ 20 ಪೇಜುಗಳವೇ ಆದರೆ ಇಂಗ್ಲಿಷಿನಲ್ಲಿ 140 ಪೇಜುಗಳವೆಂದರೆ ಕನ್ನಡಕ್ಕೆ ಈ ಮೈಸೂರು ದೇಶದಲ್ಲಿ ಕೊಡತಕ್ಕ ಮಾನ್ಯತೆ ಇಷ್ಟೇ?

ಶ್ರೀ ಆಣ್ಣಾರಾವ್ ಗಣಸುಬಿ.—ಇರುವ ವಿವರಗಳನ್ನು ಕೊಡಲಾಗಿದೆ. ಈ ಪ್ರಶ್ನೆಗೇನೂ ಈಗ ಉತ್ತರವಿಲ್ಲ.

ಅಧ್ಯಕ್ಷರು.—ಮಾನ್ಯತೆ ಇರುವ ಪ್ರಶ್ನೆಯಲ್ಲಿ ಇಲ್ಲಿ ಕೇಳುತ್ತಿರುವುದು. ಈ ಪ್ರಶ್ನೆ ಇದರಲ್ಲಿ ಬರುವುದಿಲ್ಲ.

Sri B. R. SUNTHANKAR.—Supplementary to (b) (iii) : May I know whether these reasons do not apply to the printing of the Kannada Gazette?

Sri ANNARAO GANAMUKHI.—Yes.

Sri B. R. SUNTHANKAR.—Then why is it that the rate of Kannada Gazettes has not been increased?

Sri ANNARAO GANAMUKHI.—Because the size has not increased.

2--00 P.M.

Sri B. R. SUNTHANKAR.—The cost has increased in respect of Kannada Gazettes also. I want to know why the rates have not shown a corresponding increase?

Sri ANNARAO GANAMUKHI.—I have already replied. The size of the Gazette has not increased.

Sri G. VENKATAI GOWDA.—The Minister was pleased to say that one-tenths of the English Gazettes are being sold. I want to know whether Government is realising the cost of production by selling only one-tenths?

Sri ANNARAO GANAMUKHI.—The extent of the copies we sell, we are roughly realising the cost.

Sri M. C. NARASIMHAN.—Will the Government consider taking is advertisements for increasing the revenue.

Sri ANNARAO GANAMUKHI.—It is a suggestion for action.
